Jewels for Pools Glass™ is a proprietary custom blend of iridescent, multi-hued, gem-like glass crystals in a 4 color combination.

This pool: Lakeside Plus

Colored and white plaster Pool Interior Finishes are composed of materials which may have inherent shading and/or color variation which is normal and should not be construed as a defect. Due to environmental factors such as humidity, temperature, etc., during the installation process, normal color variation within a surface coating, also called normal mottling, which is generally uniform shading, blotchy or cloudy appearance across the surface of a cementitious surface coating may appear, this is out of the contractors' and manufacturers' control.

WARNING: This product can expose you to chemicals including crystalline silica, which is known to the State of California to cause cancer and/or birth defects or other reproductive harm. For more information go to www.P65warnings.ca.gov
